

## February 2023

LIFE Recovery Association is a Christian, Abstinence-Based, Residential Recovery Program for women in addiction. To support this ministry, LIFE operates LIFE's Second Chance Thrift Store at 7-31550 South Fraser Way, Abbotsford.

We are currently seeking volunteers as well as a part time employee.

As LIFE's Second Chance operates with a large team of volunteers, both employees and staff must be willing to develop positive, collaborative relationships with each other.

**Volunteer opportunities:** volunteers of all ages for receiving, sorting, pricing, display and sales of donated goods.

**Employment opportunity:** an individual to clean the store Monday afternoon for 4 hours. Tasks include cleaning of restrooms, break rooms, windows as well as vacuuming, sweeping, dusting and mopping.

A Criminal Record Check will be required for all positions and a minimum of 1 year sobriety is required for the store cleaner role.
